2011

The Georgia Cancer Coalition is an independent, 501(c)(3) not-for-profit organization, incorporated under Georgia state law, and registered as a Charitable Organization with the Secretary of State.

# The Georgia Cancer Coalition

The Georgia Cancer Coalition is an independent, not-for-profit organization that unites government agencies, academic institutions, civic groups, corporations and health care organizations in a concerted effort to strengthen cancer prevention, research and treatment in Georgia, with the ultimate goal of making Georgia one of the nation's premier states for cancer care.

The mission is to reduce the number of cancer-related deaths in Georgia. The Coalition is the first of its kind in the nation and is fast becoming a national model.
